AminoCharge®

Product name: AminoCharge, 14.67 oz. (416 g)

Item no: 900-1 (50002)

Characteristics: AminoCharge is a product that is designed to provide the 10 essential amino acids; derived from different protein sources in order to deliver 17 grams of protein in a single serving. This innovative protein blend provides the optimum levels of essential amino acids we require to achieve the benefits from complete proteins.

- Proprietary blend of 4 superior quality protein sources: whey, soy, rice and pea
- Contains 10 essential amino acids
- Enzyme complex works to break down protein for you

AminoCharge promotes and supports:

- intercellular health
- the building and repair of muscle tissue
- an increase in energy and stamina
- the repair and replacement of old cells
- a healthy metabolism
- a proper acid-base balance
- the maintenance of proper fluid balance within our bodies
- the necessary amino acids for proper antibody production

Color: warm-white

Texture: powder

Flavor/taste: vanilla

Servings per container: 16

Storage/shelf life:

- **Unopened:** shelf-stable for 18 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging
- **Opened:** for the best benefits, use within 40 days. Refrigerate after opening at 5 C (41 F).

Guaranteed analyses

Microbiology:

E.coli MPN/g

CP Staph/g

Salmonella/25 g (ELI)

Listeria monocytogenes/25g (ELI)

Maximum:

<3 (negative by test)

<10 (negative by test)

negative by test

negative by test

Recommended daily intake: Mix 2 scoops of

AminoCharge (26 g) and 3 droppers full (3 ml) of AminoRegulator in the liquid of your choice.

Other Ingredients: Isolated Whey Protein (milk derivative),

AminoRegulator

Product name: AminoRegulator, 2 fl. oz. (60 ml)

Item no: 900-2 (50003)

Characteristics: AminoRegulator is a liquid, vitamin supplement formulated to complement AminoCharge in order to ensure the delivery of B vitamins in synergy with bioactive amino acids.

- Contains important B vitamins for sustained energy
- Contains 5-HTP to support the synthesis of serotonin

AminoRegulator supports and promotes:

- a healthy nervous system
- intercellular health
- easy digestion
- a healthy metabolism
- an increase in energy and stamina

Color: bright yellow

Flavor/taste: sweet

Texture: viscose liquid

Servings per container: 20

Storage/shelf life:

- **Unopened:** shelf-stable for 13 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging
- **Opened:** for the best benefits, use within 40 days
